SCHOOL CUTS

On behalf of the Fylde NUT Association

“As a local resident, parent and teacher I am deeply concerned about the level and impact of the cuts to education both nationally and across the Fylde. These cuts will impact the resources and staffing available in our schools, and will impact all of our school age children. To hear more about how these cuts could potentially impact on our schools, please attend the meeting.

Be assured that we, as a profession, will continue to do our very best for your children.

Please help us give your children the education they deserve.”

- Mrs Joanne Gould
